Please publish the following information two times at your earliest convenience.

"Please take notice that the following has been filed by the City of Logansport, Indiana:

The City of Logansport Electric Department has calculated a change in the wholesale power tracker for Electric Service. This will be a decrease in electric rates that will affect all of Logansport Municipal Utilities electric customers. The current factor is .039441 per KWH and is proposed to decrease to .029866 per KWH. This will be effective August 1, 2017."

If you have any questions, please contact the office of Paul A. Hartman, Superintendent of Utilities at 574-753-6231.

Sincerely,

LOGANSPORT MUNICIPAL UTILITIES
